RE: C00438507
October Quarterly Report (7/1/08 - 9/30/08)

Per your letter dated December 2, 2008, we have made the following corrections:

- 1) The calculations for Line 8 have been corrected and are now accurate.
- 2) Voided checks have been removed from Schedule A and are now listed as negative items on Schedule B.
- 3) Two voided checks have been re-classified as an in-kind contribution. Other voided checks will be re-issued to the payees as new, correct addresses are obtained. In the event the payees cannot be located, the amounts will be reclassified as in-kind contributions.
- 4) All individual charges related to credit card payments have been listed as memo items, listing the original vendors.
- 5) Schedule B has been amended to disclose the itemization for all vendors for individual reimbursements where the aggregate was in excess of \$200 in a calendar year.
- 6) Schedule B has been amended to show the itemization of travel and subsistence advances in which the total reimbursed exceeded \$500.
- 7) Further clarifying descriptions have been added for consulting expenses on Schedule B.
- 8) All administrative expenses have been fully disclosed. No expenses are being provided by a connected organization (There is no connected organization.), all debts and obligations have been reported, and no in-kind donations for administrative expenses have been received.
